Bulfinch’s Mythology, The Age of Fable
Thomas Bulfinch

Bulfinch’s Mythology, The Age Of Fable

Bulfinch’s Mythology, first published in 1855, is one of the most popular collections of mythology of all time. It consists of three volumes: The Age of Fable, The Age of Chivalry, and Legends of Charlemagne. This is a recording of the tenth edition of the first volume, The Age of Fable. It contains many Greek and Roman myths, including simplified versions of The Iliad and The Odyssey, as well as a selection of Norse and "eastern" myths. Thomas Bulfinch’s goal was to make the ancient myths accessible to a wide audience, and so it is suitable for children.
